Dear Selection Committee,

This letter is to express my interest in your posting on Hire Aggies portal for Deloitte Advisory: Cyber Risk- Summer/Fall 2020 (Full Time). With a master's degree in Management Information Systems, and hands-on experience on penetration testing and vulnerability analysis, cyber risk assessment and management for decision making, incident management, designing and conducting security audits I am confident I will be an asset to your organization.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new technologies are important to me and the success of your organization.

Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute to your bottom line are:

- Experience in healthcare and banking domain working as a part of defect prevention and incident management team.
- AWS Certified developer associate with hands on experience on security and encryption services such as AWS KMS, AWS Parameter Store and AWS STS
- Conducting security audits to improve application security.
- Partnering with IT and Business Departments to Identify Gaps in Procedures
- Coordinating Ongoing Security Improvements

I've attached a copy of my resume that details my projects and experience in cybersecurity. I can be reached anytime via my cell phone, 979-422-3382 or via email at [sarika.singh2611@tamu.edu](mailto:sarika.singh2611@tamu.edu)

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Sarika Singh
